

PAYWARE MOBILE e315 THE PAY- ANYWHERE POS

Retailers can securely extend their reach with the next-generation PAYware Mobile e315 from Verifone. The device pairs with the Apple® iPhone® 5S and 5th generation iPod touch® to create a POS anywhere. It accommodates all transactions including mag-stripe, EMV chip and PIN and NFC/contactless payment. The innovative design ensures that the rear-facing camera, audio jack and other key controls remain available – while also providing longer battery life, improved ergonomics and durability.

LEAD THE RETAIL REVOLUTION

- Create a POS wherever the sale takes place
- Check inventory or prices on the spot with integrated barcode scanner
- Future-proof mobile POS is ready for all types of payments including EMV and NFC/contactless
- Securely locks onto iPhone or iPod, keeping access to all ports and controls
- Provides extended battery life, up to 12 hours depending on usage model – with up to 120 hours of standby time
- Tactile keypad to support accessibility requirements
